Dear Crustacea Industry member

The SAGB is holding its Crustacea Committee meeting on 30th October at the Skipper Expo in Bournemouth at 3.00 – 6.00pm at the Bournemouth International Centre in the PURBECK LOUNGE which is adjacent to the main show entrance.

The SAGB would like to invite all industry members to the meeting to hear about the work the SAGB does to promote and ensure sustainability of the shellfish industry and also to let industry members have an opportunity to raise their concerns or issues relating to their sector.

The SAGB also has a stand at the Expo so please come and have a chat with David Jarrad - Director of the SAGB, me or the other SAGB members on Stand 51.

I look forward to seeing you at the meeting.
